I am sorry, but you asked too many questions that should not have been asked. Now that you have the answers, you know why I must leave.

I know that no words I can offer can bring you comfort.

I can only say that I love you with all my heart.

Forget about me, my love. It is for the best.

I am no more.

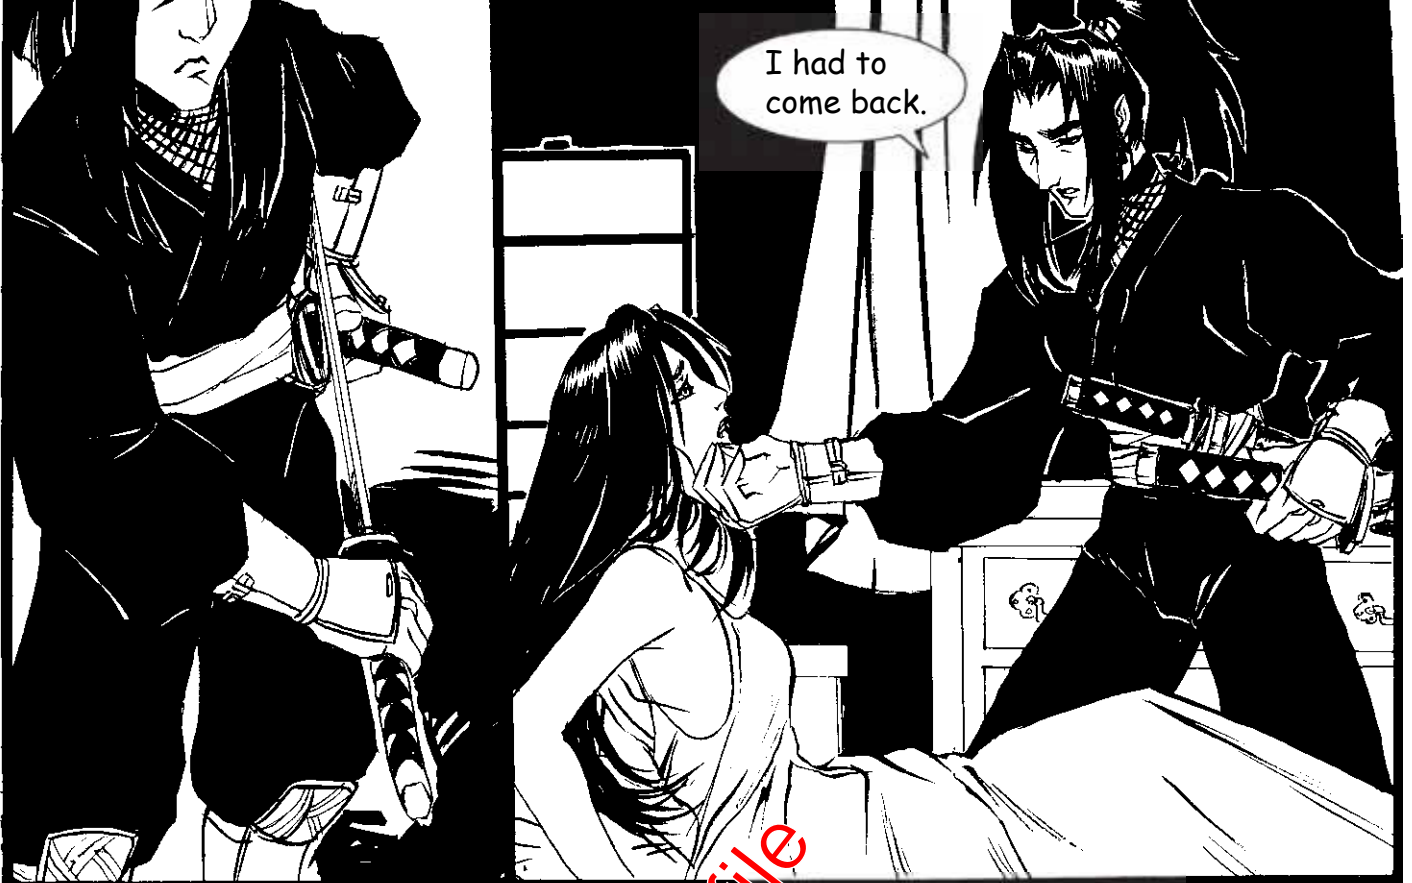

Jotaro?

Heio, Michiko.

Jotaro, I thought I would never see you again!

I had to come back.

I know that my leaving hurt you.

And I could not bear to leave you in pain.

I love you.
